1. YEAR 12 NEWS -

You are reminded that **applications for courses for 2018 are now open** on the VTAC website. You will need your **VCAA student number** to create an account, the first step in the application process.

Timely applications close on 28 September (cost

\$35.00). Late applications cost \$103.00. **Special**

Entry Access Scheme (SEAS) applications are also open and can be completed following a VTAC course application (**close 10 October**). **Scholarship applications** done through VTAC **close on 13 October**. You can change your VTAC course application as much as you wish at no extra charge.

• CASPer: FOR INITIAL TEACHER EDUCATION (ITE) COURSES

As noted previously, **applicants for all Victorian university ITE courses must undertake the CASPer test**. The test requires applicants to **demonstrate personal attributes such as motivation to teach,**

strong interpersonal skills, willingness to learn, resilience, self-efficacy, conscientiousness and organisational skills. CASPer is taken **on-line** and is composed of **12 sections**. Each section contains **video or word-based scenarios followed by three open-ended, follow-up questions**. Applicants have **five minutes to answer the questions that follow each scenario**. CASPer can only be taken **on-line**; **international students must complete it by 10 November 2017** and **applicants for undergraduate and graduate-entry teaching Round 1 offers must complete it by 30 November 2017**. You will need to enter your **VTAC ID** when registering and will be asked to **provide government issued photo ID** eg passport, drivers licence or learner permit card. Your results will be sent directly to VTAC and the institutions to which you apply. Results are not given to the applicant.

NOTE: If you sit CASPer and get an offer and **defer**, you **do not have to sit the test again**. When applying for courses, VTAC recommends applicants place some **pathway courses** in their **preference list** as they will not know the outcome of their CASPer test and therefore, whether they will be accepted into teaching courses. Eg - a

Bachelor of Arts may be suitable for those interested in primary teaching or teaching Humanities or Studies of Society and Environment.

If you **deferred your place** in an education course in 2017 you **do not have to sit the test** before taking up your place in 2018

- **VTAC WEBINAR COMING** – if you have questions regarding VTAC and the application process, you can join in a VTAC Webinar on Wed 13 September.
