## From the College Principal

### Welcome Back

We hope that everyone in our WSC community had a great summer break. A special welcome to those students and families who are joining us for the first time in 2019.

Our enrolment continues to grow and this year we welcome a record 1390 students from across the Bass Coast area. This includes over 280 new Year 7 students, with enrolments also occurring across all other year levels. It has been impressive the way our 750 Dudley and 640 McBride students have settled in to their academic year.

For our teaching staff, the collaborative work on enhancing the Teaching & Learning for all students in the College continues. We remain proud of their dedication to our students. Of course, the traditional camps, sport, performing arts, community service and academic activities will also continue as an important part of the College's programs.

Excitement is mounting about the progress on our new McKenzie Street senior campus. The structure grows by the day and we look forward to making this amazing facility available at the start of the 2020 school year.

### New Staff

Along with new students, the College has welcomed ten new staff members this year, and many experienced staff members have also returned from leave situations in 2018. Joining us at WSC in 2019:

### School Council

A special thanks to our College Council parent and community representatives for their work in 2018. Your support of our College is valued. In 2019 we are seeking four parents to nominate for our School Council. Please see relevant information and paperwork on last two pages of newsletter. It is a particularly exciting time in our College, and being a WSC School Council member provides an opportunity for parents to contribute to the College. ### Compass Management System / Communication with Staff at WSC / Newsletters

All families are encouraged to contact the school if they require assistance for their child at any stage during the year. You will receive regular newsletters via e-mail (please contact the school if your details change). If you do not have access to e-mail please ensure that your child collects a newsletter from the office.

The "Compass" program is the key resource for attendance and student reporting. Reports, Progress Reports, Newsletters and other correspondence are all now sent via Compass. The program provides the capacity for easy communication between parents and teachers. ***Please remember to let us know if any of your contact details (including e-mail address) change.*** Alternatively you can make changes yourself if you log on to Compass (*the Office can provide your log on details if you have forgotten them*).

### **Compass also provides the capacity for you to approve your child's absences.**

While most parents have found the transition to on-line communication to be effective and convenient, some parents may not have e-mail access or may prefer to receive hard copies of reports. We can accommodate this by making hard copies available for collection at the school.

WSC's Compass portal can be found via our web-site or directly at:

<https://wonthaggisc.vic.jdlf.com.au>

It is also available as an "app" through the iTunes store and Google Play.

*Each year there a number of important notices that we need to bring to the attention of all members of our school community.*

### USE OF STUDENT IMAGES/NAMES

At Wonthaggi Secondary College we celebrate the efforts of our students by highlighting their participation in school events and their achievements in our newsletter, local newspapers, on-line, the school magazine and so on. Often photographs of the students (and student work) are included.

***Please notify the General Office if you do not give approval for images of your child. and his/her name, to be used*** in the above ways if this has not already been done. If you do not contact the school, it will be assumed that it is permitted to use images and the name of your child in school and media publications, school diaries, the school web site, etc. If at any time your circumstances change, and you do not wish your child's name or image used, it is vital that you contact the Campus Principal immediately.

### BUS PASSES

As in recent years we are required by regulation to not permit casual travel on school bus services. In addition to this we continue to have very limited spare seating available on our buses and are not able to accommodate requests for bus passes. As a result parents, carers and students should consider other transport options.

Requests of an urgent nature should be applied for in advance of the day through our Bus Coordinator, Neil Austin, who is based at the McBride Campus. Regular bus travellers will continue to utilise the service as normal.

## **IMPORTANT INFORMATION FROM THE DEPARTMENT OF EDUCATION & TRAINING**

### STUDENT ACCIDENT INSURANCE ARRANGEMENTS

The Department does not provide personal accident insurance for students. Parents and guardians are generally responsible for paying the cost of medical treatment for injured students, including any transport costs, unless the injury is caused by the negligence (carelessness) of a Department or school council employee or volunteer.

In the past some families have organized accident insurance through private agencies. These agencies often contact the College and we would be happy to pass on this information if you are interested.

### PERSONAL GOODS BROUGHT TO SCHOOL

Personal property is often brought to school by students, staff and visitors. This can include mobile phones, calculators, toys, sporting equipment and cars parked on school premises.

Please note, the Department of Education and Training does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property.

## School Council Elections 2019 - Information for Parents

*Parents interested in nominating for School Council are invited to do so by completing the attached nomination form and returning it to the school **by Friday February 15th, 2019 (9am)**. There are four vacancies (two year term—3 positions; one year term—1 position).*

### ***What is a school council and what does it do?***

All government schools in Victoria have a school council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

### ***Who is on the school council?***

There are three possible categories of membership:

- **Elected Parent category.** More than one third of the total members must be from this category. Department of Education & Training (DE&T) employees can be Parent members at their child's school.
- **Elected DE&T employee category.** Members of this category may make up no more than one third of the total membership of school council. The Principal of the school is automatically one of these members.
- **An optional Community member category.** Its members are co-opted by a decision of the council because of their special skills, interests or experiences. DE&T employees are not eligible to be Community members.

The term of office for members is two years. Half the members must retire each year, creating vacancies for the annual school council elections.

### ***Why is Parent membership so important?***

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school. Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging.

### ***How can you become involved?***

The most obvious way is to vote in the elections, which are held in February or March each year. However, ballots are only held if more people nominate as candidates than there are positions vacant.

### ***Do I need special experience to be on school council?***

No. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

### ***What do you need to do to stand for election?***

If you decide to stand for election, you will need to arrange for someone to nominate and second you as a candidate. Once the nomination form (see over) is completed, return it to the Principal within the time stated on the notice of election.

If there are more nominations received than there are vacancies on council, a ballot will be conducted in the two weeks after the call for nominations has closed.

Please contact the school if you would like to discuss the option of standing for school council.
