Any personnel who are **mandatory reporters** must comply with their duties.

A child-safe culture

Wonthaggi Secondary College's culture encourages staff to raise, discuss and scrutinise concerns making it more difficult for abuse to occur and remain hidden.

All members of the Wonthaggi Secondary College Community are encouraged to take responsibility for their actions and to adhere to the core values of Respect, Doing Our Best and Lifelong Learning. The College has created a learning environment that is supportive and enables students to develop self-discipline, team work, communications skills and a tolerance of other viewpoints and cultures.

Staff will comply with the school's Code of Conduct. The school's Code of Conduct sets out clear awareness of the difference between appropriate and inappropriate behaviour.

- The Child Safety Code of Conduct is included in staff induction and CRT information packs, and these staff members are instructed to familiarise themselves with the expectations set out in this document.
- The Code of Conduct is presented to all staff at the beginning of each school year, and staff are reminded of their responsibility to read this document and adhere to the expectations.
- The Code of Conduct is available on our website, in the front office for visitors, and is included in the staff handbook.
- Where breaches of the Code of Conduct are identified, these will be addressed in accordance with the Wonthaggi Secondary College Mandatory Reporting Policy and the DET reporting procedures.
- All visitors to the school are required to sign in and out at reception.
- Volunteers, and those coming to the school to work with children, are required to produce a current WWCC and asked to adhere to the Child Safety Code of Conduct.

Human resources practices and training

Wonthaggi Secondary College applies best practice standards in the recruitment and screening of staff, and will take all reasonable steps to ensure that it engages the most suitable and appropriate people to work with children. We will ensure that staff induction, education and training programs are a vital part of our commitment to safeguarding children and young people from abuse and neglect. All prospective staff and volunteers are required to undergo National Criminal History Records check and maintain a valid Working with Children Check.

- Staff are required to provide a copy of their current VIT registration or WWCC annually, and this information is filed by administration staff.
- When hiring new staff members, use of a pre-employment checklist is used to ensure referees are asked if they have any concerns relating to child safety.
- The Child Safety Environments clause is used when hiring staff through Recruitment Online.

- The Child Safety Code of Conduct is included in staff induction and CRT information packs, and these staff members are instructed to familiarise themselves with the expectations set out in this document.

Reporting a child safety concern or complaint

Wonthaggi Secondary College has clear expectations for staff and volunteers in making a report about a child or young person who may be in need of protection. Immediate action should include reporting their concerns to the DHHS Child Protection or another appropriate agency and notifying the principal or a member of the school leadership team of their concerns and the reasons for those concerns. The school will take action to respond to a complaint.

- All members of the teaching service are mandated by law to report signs of physical and sexual abuse and neglect (see Mandatory Reporting policy);
- The Mandatory reporting Policy is available on our website and staff are expected to familiarise themselves with this policy.
- The 4 Critical Actions posters are displayed in staff work areas and on our OHS noticeboard to assist staff in making a report.
- After any serious incidents the school will review all policies and procedures related to child safety.
- We have specific policies, processes and training in place that support our staff and volunteers to confidently make a report based on holding a 'reasonable belief' that a child is at risk of child abuse.
- All staff and School Council members are expected to complete the Mandatory Reporting e-Learning module. This is monitored by the Child Safety Officer.

The school's policy and procedures for reporting a child safety concern or complaint can be found in the Mandatory Reporting Policy.

Risk reduction and management

The School believes the wellbeing of children and young people is paramount, and is vigilant in ensuring proper risk management processes. The school recognises there are potential risks to children and young people and will take a risk management approach by undertaking preventative measures. Risk management processes are reviewed annually or pre/post events/excursions/incidents.

- The risk assessment matrix is reviewed annually and ratified by the Wonthaggi Secondary College School Council
- The school's approach to Child Safety risk reduction and management can be found in the Risk Assessment Policy.
- School Council members are educated on their obligations when reviewing and endorsing Child Safe Policies at the first meeting each year. School Council members are required to complete the Mandatory reporting online modules each year.

Listening to children

The school has developed a safe, inclusive and supportive environment that involves and communicates with children, young people and their parents/carers. We encourage child and parent/carer involvement and engagement that informs safe school operations and builds the capability of children and parents/carers to understand their rights and their responsibilities. Wonthaggi Secondary College promotes student voice through school council and through thorough classroom discussions around risks and events.

- We will work to ensure children know who to talk with if they are worried or are feeling unsafe, and that they are comfortable and encouraged to raise such issues.
- We are committed to listening and responding to the views and concerns of students, particularly if they are telling you that they or another child has been abused or that they are worried about their safety/the safety of another child.

To support or assist children who disclose child abuse, or are otherwise linked to suspected child abuse the school will:

- Establish regular communication between staff and the child's parent/ guardian/carer (if this is appropriate) to discuss a child's wellbeing and the effectiveness of planned strategies.
- Convene a Student Support Group to plan ongoing monitoring, support, and follow-up of the child's health and wellbeing.
- Develop and implement a Student Support Plan, which documents the planned support strategies and includes timeframes for review (where possible, these support strategies should be informed by allied health and wellbeing professional with expertise in addressing child abuse and trauma).
- Students are educated on protective behaviours through the implementation of the RRRR curriculum, tailored to their year level.
- The PROTECT Child Safety posters are displayed on school notice boards and communicated to the school community via Compass.

When the school is gathering information in relation to a complaint about alleged misconduct with, or abuse of, a child the school will listen to the complainant's account of things and take them seriously, check understanding and keep the child (or their parents/carers) informed about progress.

Confidentiality and privacy

Wonthaggi Secondary College collects, uses and discloses information about particular children and their families in accordance with Victorian privacy law. The collection, use and storage of information is included in school policies.

- All allegations of abuse and safety concerns will be reported to a member of the leadership team. The information will be documented using our 'confidential summary form' and stored securely. Updates will be added to this document and relevant stakeholders informed.

Policy evaluation and review

To ensure ongoing relevance and continuous improvement, this policy will be reviewed in the context of school self-evaluation undertaken as part of the school accountability framework. The review will include input from students, parents/carers and the school community.
